NEW FACES AND DIFFERENT PLACES

Ch-Ch-Ch-Changes. That's what's been happening over the past few months with the programs at AIDS Care Service. In order to provide our clients the best services possible, ACS has made some significant program modifications to address the ever-changing challenges of serving our brothers and sisters living with HIV disease.

Some of the changes have included the addition of new staff. In September 2005 ACS welcomed Katherine Foster as the new associate director of programs. Katherine previously served as the external relations officer with the Winston-Salem office of Local Initiatives Support Corporation (LISC), a national nonprofit community development organization. Katherine has more than 8 years of experience working and volunteering with various nonprofit organizations throughout Winston-Salem.

Katherine Foster

Andre' Brown

A. Moreno-Bravo

Heather Hamby

More new faces came on the scene in November 2005 with the addition of Alberto Moreno-Bravo, ACS' new AMiGOS coordinator.

Alberto, a native of Bogotá, Columbia, has worked in the employee recruitment and training field for several years and was a small business owner in Bogotá. In the short time he's been with ACS Alberto has recruited 14 new AMiGOS and given several presentations about HIV and STD prevention to the Latino community. He is a natural born educator.

Along with a new program came André Brown, our client supportive services coordinator. André previously worked as the assistant shelter manager with Greensboro Urban Ministries homeless shelter and will be graduating in May with a Masters in

FROM THE PRESIDENT, WENDY RUITER

What an exciting time to be a part of AIDS Care Service! We have certainly been blessed and have accomplished much toward our mission over the last six months. Recently, we moved forward in our commitment to program evaluation and coordination. The recent move of our Latino Client Health Education, AMiGOS Peer Educators, Housing and Client Supportive Services programs to a common space under one roof on Spruce Street will allow our programs to work seamlessly and collaboratively. In addition, it will encourage a team effort with community groups and agencies by providing a communal training space that can be made available to others.

Moving forward, it has become apparent that our next challenge will be to establish a case management program, specifically for our Latino client base. Over the next 12 months, Christine and Katherine will work diligently with the Board of Trustees on this task to ensure that we are meeting the needs of this population along with securing the financial means necessary to support such a program.

As with most program development at ACS, we were approached to tackle this unmet need and through detailed planning, commitment, prayers and your support, we will succeed.

As we look at our direct mail campaign and I Said RED! responses, I am continually amazed at the generous individuals who support ACS. I cannot thank you enough for your commitment to such an important cause ... right here at home. It's because of you that we make a difference in the lives of our clients. I encourage you to stop by and tour Holly Haven, take an outing with our Positive Action Club, or host an "I Said RED!" party over the coming months. Thank you for all you do and best wishes for a successful 2006,

Wendy Ruiter

DR. MARY ANN TAYLOR, A VERY SPECIAL FRIEND

Dear ACS Family,
Recently, we lost a dear friend, Dr. Mary Ann Taylor. Dr. Taylor was one of the founding trustees of AIDS Care Service in 1991. It was a time when an HIV+ diagnosis was a death sentence, and before the great anti-retroviral cocktail therapies came about. This was a time when people did not understand the disease. Fortunately, a few concerned members of the community came together in the basement of Knollwood Baptist Church to formulate ACS because it was the humane thing to do. Their mission, to help our brothers and sisters living with HIV disease improve their quality of life in a home like environment, was heavily influenced by Dr. Taylor. Their goal was to create a place for those dying of AIDS; their vision was Holly Haven Family Care Home.

Dr. Taylor, always with her dear husband at her side, worked tirelessly advocating in her communities for help for the HIV population. Mary Ann often encouraged her church, the medical community, and anyone who knew her to take action and help AIDS Care Service. The community rose to the needs often because of her passion and her no nonsense approach that *it was just the right thing to do*. She wore many hats. She

recruited other Board members, helped to secure Larry Roth as the founding Executive Director. She helped to research and write some of the first long range Strategic plans. She brought in furniture for the apartments. She delivered holiday sweets to the residents and staff. She was an amazing lady!

Early in my career with AIDS Care Service, I met for lunch with Larry and Dr. Taylor. We discussed the early years of the organization. She reminisced and shared how proud the founders would have been if they were still around to see all the accomplishments ACS had achieved. She said this with her well known warm smile and sparkle in her eye.

Dr. Taylor, we could not have it done it without you. Thank you for all you have done to help ACS and we hope that we continue to make you proud. We are relying on your watchful eye from above and your whispered prayers. We have so many who need our help.

Christine Jolly

Nonprofit Management from UNCG. Along with his quick wit, André brings his expertise with community resources and referral to ACS.

In December ACS was blessed with the addition of Heather Hamby, the new administrator of Holly Haven Family Care Home. Heather previously worked with the Randolph County Family Crisis Center as the daytime shelter manager. Heather has a great deal of HIV disease experience and was a volunteer and intern with HOPE, formerly of Winston-Salem and Triad Health Project in Greensboro. HIV/AIDS awareness and prevention is Heather's passion, as well as her platform with her successful run on the North Carolina pageant circuit. Heather was recently crowned Miss Hickory 2005 and was the 1st runner-up and preliminary talent award winner at the 2005 Miss North Carolina Pageant. Brains, beauty, culture and compassion--we got it all with our staff at ACS.

Other changes occurred in October 2005 when ACS retooled the former Outreach Program to better meet the needs of our housing clients. Now named Client Supportive Services, the program offers important referrals, resources and life skills training to residents of Holly Haven and Horseshoe Transitional Apartments, providing a continuum of care for these clients. Headed up by André Brown, the program features "Back-to-Basics", a six-week training session providing clients important information about money management, rental skills, nutrition, healthcare management and other issues critical to self sufficiency. The program also provides follow-up support for persons receiving rental assistance from various funding sources such as the City's Shelter Plus Care program, federal Housing Opportunities for People with AIDS (HOPWA) funds, and Section 8 Housing from HUD. André will conduct home visits and follow-up phone calls to monitor our housing clients' health, housing conditions and general well being, providing the support that will help to ensure our clients success in living independently.

Four ACS programs (AMiGOS, Latino Client Health Education, Housing and Client Supportive Services) moved into a new location in January 2006. Located on Spruce Street, the space provides plenty of room for confidential client meetings as well as a large training space for AMiGOS meetings and "Back-to-Basics" trainings. Consolidating these programs allows for more instant collaboration within the programs. The move of the Housing program from one of the units at the Horseshoe transitional apartments has allowed ACS to provide yet another valuable housing opportunity for our clients.

An organizational development change came in the fall of 2005 when ACS has developed an internal program evaluation process. The evaluation is an approach that links objective measurements of program charters, operational functions and individual performance.

- **Program Charter:** Describes program history, needs, scope, goals, measurable outcomes and is annually reviewed.
- **Operational Functions:** Monthly reports ensure that the program is on track or determine if changes need to be made to meet annual objectives.
- **Individual Performance:** Annual individual performance reviews assess individual performance related to position expectations, program intentions, and agency priorities.

Bi-annual evaluations, conducted by the associate director of programs, will ensure program progress and efficiency. The results of the evaluations will become tools by which ACS sets program standards and strategic direction for the future.

All of these changes are ways that ACS ensures that we are meeting our mission by providing the best services to our clients through dedicated and talented staff, innovative programs and accountability measures. For more information about our new programs or to tour the new Spruce Street building, please contact Katherine Foster at 722-6909.

OUR COMMUNITY ROCKS!

- At Wake Forest University Department of Public Health Sciences, ROCK stands for **Reaching Out to the Community in Kindness**. And boy, do they ever! At Christmas, the department prepared and delivered more than 130 filled stockings to the ACS Food Pantry. The stockings were filled with kitchen items and were distributed by Robert Woodard, Pantry Coordinator, throughout the month of December to ACS Pantry clients.
- Good Shepherd Moravian Church made several quilts and 75 gift bags filled with personal items to be distributed as Christmas gifts for ACS clients.
- Holly Avenue Neighborhood Association decorated the Horseshoe Building for Christmas.
- Unitarian Universalist Fellowship of Winston-Salem again showered ACS with stuffed bears for the children of clients.
- The Winston-Salem Jaycees raised funds all year for ACS and provided holiday hams for more than 150 families.

**THANK YOU TO ALL WHO HAVE MADE CONTRIBUTIONS

EVERYTHING YOU WANTED TO KNOW ABOUT
GIVING CIRCLES AND
DESIGNATED DONATIONS
BUT WERE AFRAID TO ASK

A change in recognizing donors to AIDS Care Service was revealed during our fall Direct Mail Campaign. You received a letter with a card, requesting a contribution to our Annual Fund. On the back of the card, ACS listed Giving Circles. Your cumulative gifts for one fiscal year enter you into one of these Circles. Giving Circles, and the donors in each Circle, are recorded in this newsletter for gifts received between July 1, 2005 and February 28, 2006. ACS will switch to a plan of publishing acknowledgements of Circles and Circle members one time per year in the ACS Annual Report. The Annual Report is based on the ACS fiscal year of July 1 through June 30.

Your cumulative financial gift for the ACS fiscal year July 1, 2005 through June 30, 2006 enters you into one of our Giving Circles:

Visionary Circle	\$5,000 +
Advocate Circle	\$2,500 - \$4,999
Benefactor Circle	\$1,000 - \$2,499
Director Circle	\$500 - \$999
Sustainer Circle	\$250 - \$499
Associate Circle	\$100 - \$249
Friendship Circle	up to \$99

WISH LIST

Kitchen supplies: Nonstick Pots and Pans, silverware,
cookie Sheets, mops/brooms
Gently used living room furniture,
bedroom suites, kitchen table/chairs*

**Please call Katherine Foster
at 336-722-6909 to discuss your
furniture donation.*

*We are only able to accept furniture that can be
delivered to one of our locations*

Lowe's Greenpoints

To donate your Greenpoints call Lowe's Foods
at 336-659-0180. You will need your Lowe's rewards
card number and the ACS card number.
The ACS card number is 420 21449 2734.

Food Drive!

Schools, youth groups, and civic organizations can
collect boxes of macaroni and cheese or peanut butter
for the Food Pantry.

I SAID RED! AT KARMA SALON & GALLERY

Joe Smith and Tim Adams, just prior to the
February Gallery Hop,
when more than 200 people visited
Karma Salon & Gallery to view
*Visions and Voices:
Living with HIV in the 21st Century*
PhotoVoice Exhibit.

P.O. Box 21373
Winston-Salem, NC 27120
(336)777-0116
www.aidscareservice.org

The mission of AIDS Care Service is to help our brothers and sisters living with HIV disease improve their quality of life.

I Said Red!

I Said RED! parties are still going on.
